Megastar
Color Dispensing System

The Original. Proven. Reliable.

- No seasonal shutdown necessary –use all year round
- Totally dry system: No heat or circulating pumps required (saves on electricity)
- No hassle: Quick and easy installation and little maintenance required
- Environmentally friendly
- Tracks inventory
- Integrated batch reporting
- Proven reliability: 100s of systems installed worldwide
- Exclusively designed for Interstar's Granastar® granular pigment

Pre-loaded with thousands of color formulas

GRANASTAR® GRANULAR PIGMENT

- The most vibrant pigment with the highest tinting strength on the market
- Granastar pigment is less expensive than liquid, and produces more intense colors at a lower dosage
- Achieves consistent results, batch after batch
- Lighter than liquid for easier handling and lower transport costs
- Reduces environmental impact
- Low dust
- No mess

Dispenses pigment directly into a truck

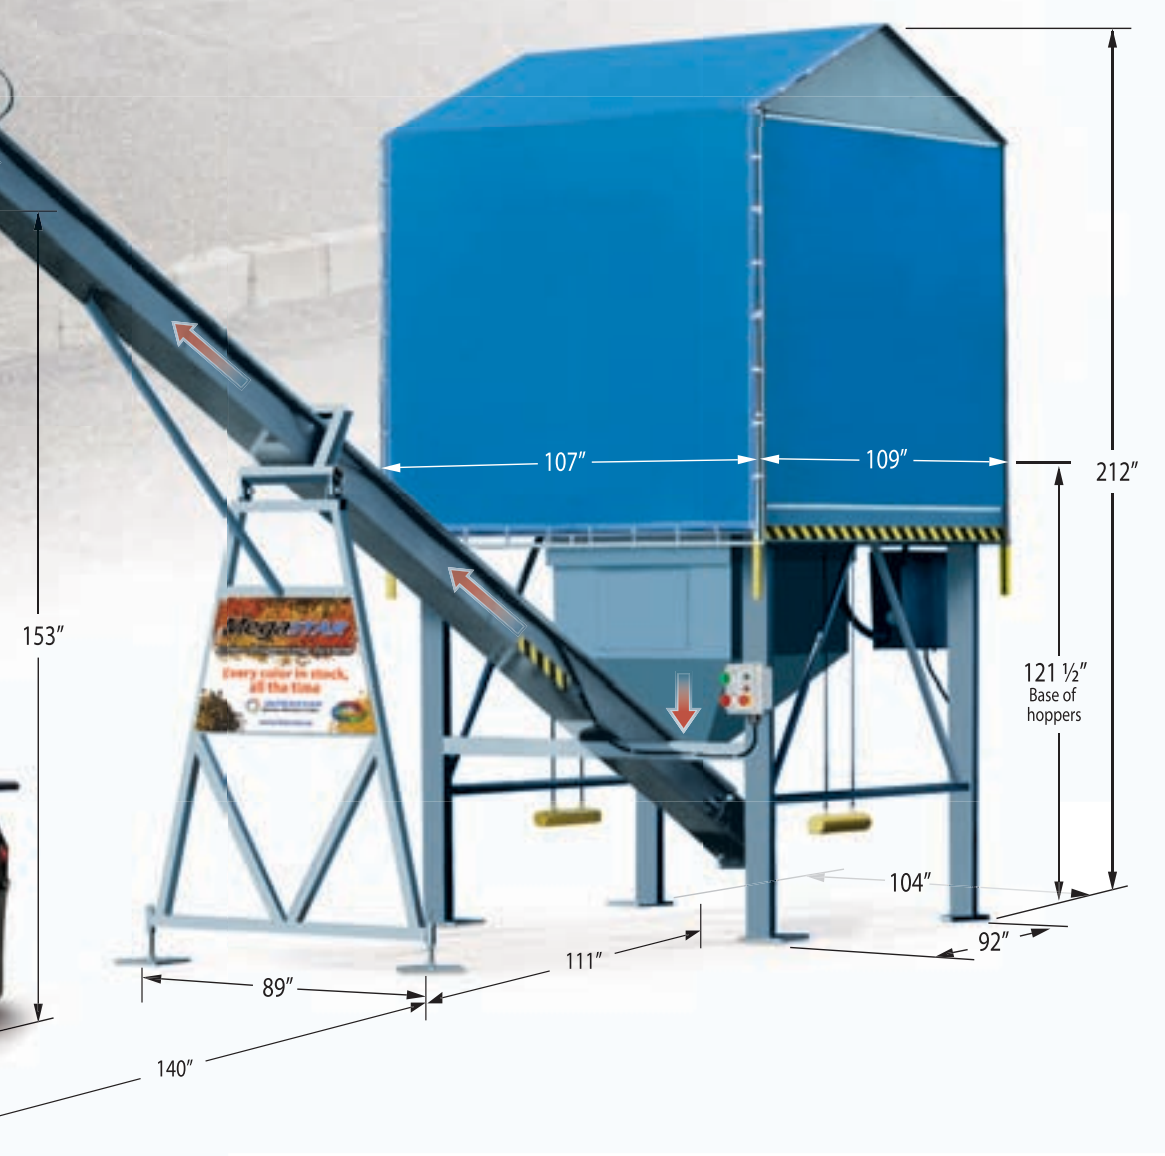

Bins are quick and easy to fill
